

Chiang Mai University Announcement
CMU Graduate Scholarship Academic Year 2026

Chiang Mai University is offering graduate scholarships to support outstanding Thai and international students in pursuing their master's degree and doctoral degree at Chiang Mai University. This initiative aims to foster high-quality research publications, enable divisions responsible for graduate programs to recruit highly qualified students who align with their objectives. For the academic year 2026, a total of 100 scholarships will be awarded, categorized as follows:

- Doctoral Degree Scholarships: 50 awards
- Master's Degree Scholarships: 50 awards

1. <u>Qualifications</u>

1.1 Applicants must obtain confirmation from the divisions responsible for their program that they have been assigned a thesis advisor. The main thesis advisor must meet the following qualifications:

1.1.1 Be eligible to serve as a thesis advisor according to Chiang Mai University announcement.

1.1.2 Possess expertise in the student's thesis topic, with a proven academic or research record, such as publications in international academic journals.

1.1.3 Have a consistent record of research publications in international journals for at least three consecutive years.

1.1.4 Be a principal investigator or an active participant in a research project.

1.1.5 Have previous experience advising graduate-level theses.

1.2 The divisions responsible for the program must facilitate the submission of the scholarship application documents into the system.

2. <u>Eligibility</u>

2.1 Applicants must be accepted candidates for graduate studies for the 2026 academic year, enrolled in a doctoral or master's degree program (regular curriculum) that requires the completion of a thesis.

The list of accepted candidates shall be verified exclusively against the official Chiang Mai University announcement titled: 'The List of Accepted Candidates for Graduate Studies, Academic Year 2026.

2.2 Applicants must meet the following minimum academic performance requirements:

2.2.1 A cumulative GPA of at least 3.25 or equivalent (on a 4.00 scale) for a bachelor's degree.

2.2.2 A cumulative GPA of at least 3.50 or equivalent (on a 4.00 scale) for a master's degree.

2.2.3 For applicants who have completed a thesis-based master's program, they must have at least one publication in a recognized international academic journal accepted by Chiang Mai University.

- Additionally, if the applicants did not graduate from an institution within Thailand, the GPA equivalency for different countries or institutions will be determined based on the Scholaro website (https://www.scholaro.com).

2.3 Applicants must provide proof of English language proficiency through one of the following tests, taken within the last two years (based on the date for program applications) :

- IELTS Indicator: Minimum score of 6.0
- TOEFL (IBT): Minimum score of 79
- CMU-TEGS: Minimum score of 70
- Exceptions apply to applicants who are native English speakers, as determined by the reference list provided by the University of Sheffield (https://www.sheffield.ac.uk/international/english-speaking-countries).

2.4 Applicants enrolled in graduate programs featuring an ongoing academic collaboration (Active MOU) or a Strategic Partnership Program with an international partner institution (e.g., joint research, co-publications, or exchanges with Chiang Mai University) are eligible for special consideration.

Under these circumstances, it is mandatory to attach supporting evidence documenting the collaboration or related activities implemented during the preceding year.

2.5 Applicants must possess a completed research proposal and all related documentation, including:

2.5.1 Research Proposal / Concept Paper

2.5.2 Overall Study Milestones (e.g., projected timelines for the Qualifying Examination, the research proposal defense, and academic publications). These milestones will be used as a formal commitment for scholarship eligibility.

2.6 In cases where an applicant does not fully meet the criteria outlined in Sections 2.1 – 2.5, their eligibility will be subject to the discretion of the CMU Graduate Scholarship Committee. The responsible division nominating the applicant must submit a request for case-by-case consideration.

3. <u>Application Procedure</u>

3.1 The division (faculty/college/institute/school) responsible for the program shall review and select candidates who meet the eligibility criteria and nominate them for the scholarship by submitting their names to the Student Development Division.

3.2 All required application documents must be compiled into a single PDF file. The file should be named using the applicant's Faculty ID followed by their full name **("Faculty ID - Full Name")** and arranged according to the sequence specified in Section 4.

3.3 The division (faculty/college/institute/school) responsible for the program shall upload the application documents via https://grad-scholarship.oou.cmu.ac.th

Any documents that are not in Thai or English must be officially translated into English by a recognized translation institution.

Application Timeline		
Process	**Round 1 (Semester1/2026)**	**Round 2 (Semester2/2026)**
1. Candidate Nomination by the division (faculty/college/institute/school) responsible for the program	Now - 19 Jun. 2026	1 - 13 Nov. 2026

Application Timeline		
Process	**Round 1 (Semester1/2026)**	**Round 2 (Semester2/2026)**
2. Application Screening by Student Development Division	20 Jun. - 5 Jul. 2026	14 - 20 Nov. 2026
3. CMU Graduate Scholarship Committee Approval	6 - 17 Jul. 2026	23 Nov. - 4 Dec. 2026
4. Announcement of Eligible Recipients	20 Jul. 2026	11 Dec. 2026
5. Contract Signing	21 Jul. - 31 Aug. 2026	11 - 30 Dec. 2026

**Note: The schedule, with the exception of (1), is subject to change as appropriate.

4. Required Application Documents

Applicants must compile all mandatory documents into a **single PDF file**, titled using the following convention: "**Faculty ID - Full Name**." The contents must be arranged in the specific order outlined below:

4.1 Application Form: A downloaded copy from the online admission system, bearing the applicant's original signature.

4.2 Personal Statement & Curriculum Vitae: A Statement of Purpose and a comprehensive Curriculum Vitae (CV).

4.3 Academic Transcripts:

- One (1) copy of the bachelor's degree transcript.
- One (1) copy of the master's degree transcript (if applicable).

Note: For applicants from thesis-only master's programs, relevant published research work related to the thesis must also be included, as stipulated in Section 2.2.

4.4 English proficiency test scores (IELTS, TOEFL, or CMU-TEGS) taken within the last 2 years.

4.5 Research Proposal: A document (2–5 pages) detailing the intended research plan, formally approved by the applicant's main thesis advisor.

4.6 Advisor Recommendation: A letter of recommendation from the main thesis advisor, accompanied by the advisor's Curriculum Vitae (CV). The CV must highlight qualifications consistent with the requirements established in Section 1.

4.7 Overall Study Milestones: A comprehensive timeline detailing the key academic milestones and anticipated progress throughout the degree program. This includes, but is not limited to, the qualifying examination, the scheduled dates for the thesis proposal defense, the comprehensive examination (if applicable), and the submission of research for publication. This document shall serve as the applicant's formal commitment to the study plan and will be used as a benchmark for progress evaluation.

Notice: Failure to submit all required documents in accordance with the list specified in Section 4 will result in the application being deemed disqualified. Incomplete applications will not be considered for further evaluation in the selection process.

5. Scholarship Details

Scholarship recipients shall receive the funds only **after all required documentation and the scholarship agreement have been formally reviewed, approved, and executed by the University.** The funds shall be disbursed to the recipient's designated bank account or via an alternative method as determined by the University. The disbursement details are as follows:

5.1 Tuition Fees and International Student Fees (if applicable):

The scholarship recipient shall receive a full waiver of these fees.

5.2 Living Allowance:

A fixed monthly allowance of THB 12,000 (covering meals, accommodation, and local transportation). This allowance is provided exclusively **while the recipient is residing in Thailand.**

- Recipients traveling abroad for research purposes or participating in academic projects must obtain prior formal approval to maintain their eligibility for continued scholarship disbursement.
- If a recipient secures additional or external funding for research-related projects abroad, prior formal approval is mandatory, and the living allowance shall be disbursed exclusively for the duration of the recipient's physical residency in Thailand. Therefore, the recipient must provide a formal declaration and full disclosure of such funding to the University and Scholarship Office for administrative review.
- For residing periods of less than one month, the allowance will be calculated on a proportional basis at THB 400 per day.
- Recipients attending courses online from abroad are ineligible for the living allowance. Disbursements will commence only upon the recipient's physical arrival in Thailand and will be restricted to the official scholarship tenure.

5.3 Book and Stationery Allowance:

A fixed annual allowance of THB 6,000, disbursed in two equal installments of THB 3,000 at the commencement of each regular semester.

5.4 Insurance:

Coverage for life, accident, and health insurance up to a maximum of THB 3,000 per year, coordinated by the University

5.5 Settlement Allowance:

A one-time payment of THB 6,000, disbursed upon the recipient's initial arrival at Chiang Mai University.

5.6 Travel Allowance (Inbound):

A one-time reimbursement for economy-class airfare or equivalent travel expenses from the recipient's home country/city to Chiang Mai University, up to a maximum of THB 15,000.

5.7 Research Publication Allowance:

A one-time payment of THB 6,000 disbursed once a research publication has been published or accepted for publication in an international journal, in accordance with the criteria specified in the scholarship conditions.

5.8 Travel Allowance (Outbound):

A one-time reimbursement for economy-class airfare or equivalent travel expenses from Chiang Mai University to the recipient's home country/city, up to a maximum of THB 15,000. Eligibility for this allowance is contingent upon the successful completion of studies and the full fulfillment of all scholarship conditions, as formally approved by the CMU Graduate Scholarship Committee.

Important Notice: Scholarship disbursement shall commence **only after the scholarship agreement has been fully reviewed, approved, and executed by the University.** Recipients must prepare to self-fund all living and personal expenses for an initial period of 3 to 5 months while administrative processes are finalized. The timeline for the first disbursement is highly dependent upon the promptness and accuracy of the document submission by the recipient.

6. Scholarship Conditions

6.1 Recipients must enroll as full-time students in a regular program from the start of the academic semester. Exceptions require prior approval from the CMU Graduate Scholarship Committee.

6.2 Recipients must submit a progress report every semester, using the prescribed format, until program completion.

6.3 Recipients must fulfill all graduation requirements set by their respective program and Chiang Mai University, including additional publication requirements outlined by the CMU Graduate Scholarship Committee, as follows:

1) Doctoral Program (Plan 1.1)

- Two (2) publications derived from the thesis must be published or accepted for publication in an international journal, at least one of which must be indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse and ranked in Q1 or Q2 according to SCImago, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

2) Doctoral Program (Plan 1.2)

- Two (2) publications derived from the thesis must be published or accepted for publication in an international journal indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse. At least one of which must be ranked in Q1 or Q2 according to SCImago, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

3) Doctoral Program (Plan 2.1)

- One (1) publication derived from the thesis must be published or accepted for publication in an international journal, which must be indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse and ranked in Q1 or Q2 according to SCImago, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

4) Doctoral Program (Plan 2.2)

- Two (2) publications derived from the thesis must be published or accepted for publication in an international journal, at least one of which must be indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse and ranked in Q1 or Q2 according to SCImago, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

5) Master's Program (Plan 1)

- Two (2) publications derived from the thesis must be published or accepted for publication in an international journal, at least one of which must be indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

6) Master's Program (Plan 2)

- One (1) publication derived from the thesis must be published or accepted for publication in an international journal, which must be indexed in ERIC, MathsciNet, PubMed, Scopus, Web of Science (SCIE, SSCI and AHCI databases only), JSTOR or Project Muse, with the scholarship recipient as the first author.
- Furthermore, each publication must include the following statement in the acknowledgement section: **"Supported by CMU Graduate Scholarship."**

6.4 In the event of travel outside of Thailand, scholarship recipients are required to **obtain prior formal approval** from the University and must provide official notification to the scholarship office.

Important Notice: Failure to obtain prior formal approval from the University or the Scholarship Office for international travel shall result in the recipient being deemed ineligible for scholarship disbursements on living allowance during the period of their residency outside of Thailand.

7. <u>Duration of Study</u>

The duration of study shall be in accordance with the Chiang Mai University Regulations on Graduate Education, B.E. 2568 (2025).

8. <u>Duration of Scholarship</u>

The scholarship covers only the prescribed period of study for each curriculum., which are as follows:

8.1 Doctoral Program (Plans 1.1 and 2.1): The scholarship is provided for a maximum of 3 years, except for sections 5.7 and 5.8.

8.2 Doctoral Program (Plans 1.2 and 2.2): The scholarship is provided for a maximum of 5 years, except for sections 5.7 and 5.8.

8.3 Master's Program: The scholarship is provided for a maximum of 2 years, except for sections 5.7 and 5.8.

9. Termination/Revocation of Scholarship

The scholarship may be terminated or revoked under the following circumstances:

9.1 Decease of the recipient.

9.2 Voluntary resignation or withdrawal from the academic program

9.3 Inappropriate behavior.

9.4 Loss of full-time student status or failure to maintain scholarship eligibility requirements.

9.5 Inability to reside in Thailand due to legal or regulatory restrictions.

9.6 Other reasons proposed by the main thesis advisor or the responsible division and approved by the CMU Graduate Scholarship Committee.

9.7 Receive another scholarship during the same period, unless it is approved by the university and CMU Graduate Scholarship Committee.

9.8 Failure to obtain official approval for the thesis proposal within the specified timeframe.

9.8.1 Doctoral Degree: Within three (3) regular semesters.

9.8.2 Master's Degree: Within one (1) academic year.

9.9 Unsatisfactory academic performance, lack of progress in thesis work, or failure to meet the study milestones proposed in the scholarship application (as per section 4.2 and 4.7).

10. Repayment of Scholarship

Recipients who fail to complete their degree requirements within the prescribed duration of the scholarship may be **required to repay the scholarship funds**, either in full or in part.

A waiver of this repayment requirement may be granted solely at the discretion of the CMU Graduate Scholarship Committee on a case-by-case basis.

11. Consideration and Decision

The selection, termination, and revocation of the scholarship, as well as any matters not explicitly addressed in this announcement, shall be the sole responsibility of the CMU Graduate Scholarship Committee. All decisions evaluated and rendered by the Committee shall be final and binding.

12. General Terms and Conditions

In the event of any discrepancy or inconsistency between the Thai and English versions of this official announcement, the Thai version shall prevail and be deemed the official version.

Announced on June 4 , 2026.

(Prof. Pongruk Sribanditmongkol, M.D., Ph.D.)
President of Chiang Mai University
